

Canadian Distributors for Avaya Solutions

Overview	Ingram Micro Canada sells and supports the complete portfolio of Avaya Enterprise Communications Solutions including Avaya's unified communications, contact center, small-medium enterprise and networking solutions to authorized Avaya Canadian resellers. In addition to pre and post sales support, Ingram Micro Canada also offers Avaya channel partners access to business development, demand generation and technical support resources, as well as set up-custom configuration and installation services.	Tech Data Corporation (NAS-DAQ/NMS: TECD) is one of the world's largest distributors of technology products from leading IP hardware and software producers. Tech Data serves more than 125,000 IT solution providers in over 100 countries. Every day, these resellers depend on Tech Data to cost-effectively support the technology needs of end-users, including small and medium businesses, large enterprises and government agencies. Tech Data Canada Corporation, established in 1989, is a wholly owned subsidiary of Tech Data Corporation, servicing over 5,000 technology resellers and solution providers across the country.	Westcon Convergence is a specialty distributor of leading-edge technology solutions, specifically converged communications. We offer years of proven expertise selling and supporting Avaya and Nortel resellers. Our goal is to help your business thrive and grow by providing you with the support programs, trainings, technical expertise, tools and services you need to be more competitive and profitable in today's challenging economy.
