

**CALIFORNIA**  
**Battery Statement**

Avaya uses SIMS Recycling Solutions, Inc. for battery takeback and recycling in California. Please contact your Avaya Representative or the following associate for region specific information regarding where and how product take back processes work:

Sourabh Shinde for North America Region (NAR): [shinde12@avaya.com](mailto:shinde12@avaya.com)

When providing products back to Avaya for end-of-life treatment, you are responsible for removing all personal data.
